

Quickinsure Guide

1. Introduction to Quickinsure

Quickinsure is a tech-powered digital insurance brokerage platform headquartered in Pune, Maharashtra. The company is licensed by the Insurance Regulatory and Development Authority of India (IRDAI) and certified by ISO. Established in 2016, Quickinsure aims to simplify insurance for both consumers and insurance agents by offering a seamless, paperless experience via mobile apps and web platforms. It is trusted by more than 42,000 agents and supported by a professional team led by CEO Mr. Anand Shrikhande.

2. Services Offered by Quickinsure

Quickinsure offers a wide spectrum of insurance services designed to meet both personal and commercial needs:

a. Motor Insurance

- **Comprehensive Car Insurance:** Covers own damages (accident, fire, theft, natural calamities) and third-party liabilities.
- **Third-Party Car Insurance:** Mandatory under Indian law, covering damages or injuries caused to others.
- **Own Damage Cover:** Exclusive to the policyholder's vehicle, supplementing third-party insurance.

b. Bike Insurance

- **Comprehensive Bike Plans:** Include own damage and third-party coverages.
- **Third-Party Bike Insurance:** Only covers legal liabilities to others.

c. Health Insurance

- **Individual Plans:** Cover hospitalization, treatment, and pre/post-hospital expenses.
- **Family Floater Plans:** One premium, multiple members under a single plan.
- **Critical Illness Cover:** Lump sum upon diagnosis of life-threatening diseases.

d. Life Insurance

- Protects the family financially in the event of the policyholder's death.
- Includes term life and savings-oriented policies.

e. Personal Accident (PA) Insurance

- Covers accidental death and permanent disability.
- Add-ons like Child Education Benefit and TTD Cover (Temporary Total Disability).

f. Travel Insurance

- **Domestic and International Plans:** Cover trip cancellations, baggage loss, medical emergencies.

g. Cattle Insurance

- Financial coverage for the loss or illness of livestock.

h. Workmen Compensation Insurance

- Required for businesses to protect workers from job-related injuries.

i. Shop Insurance

- Covers physical assets and inventory from theft, fire, and natural disasters.

j. Commercial Vehicle Insurance

- Covers goods and passenger carrying vehicles used for business purposes.
-

3. Accessing Quickinsure Services

Quickinsure operates through:

- **Mobile App** (for agents): Allows real-time quote generation, policy issuance, and commission tracking.
 - **Web Portal** (for customers): Enables easy comparison, selection, and purchase of insurance policies.
-

4. How the Platform Works

1. **Enter Details:** Customers or agents input vehicle, personal, or business details.
 2. **Get Quotes:** Real-time comparisons from 20+ insurers.
 3. **Choose and Pay:** Select the best policy and pay online.
 4. **Receive Policy:** The document is delivered instantly to email.
-

5. Partnering with Quickinsure (POS Agent)

Benefits of Partnership

- Centralized access to all insurance types (health, motor, life, etc.).
- Real-time policy quotes and instant issuance.
- Transparent commissions tracked through ARPs (1 ARP = ₹15).
- Target-based incentives and rewards.
- A dedicated Relationship Manager and centralized 12-hour support.
- Free promotional materials and exclusive campaigns.
- IRDAI-compliant training and backend support.

Steps to Become a Partner

1. Download the Quickinsure app (Android).
 2. Register with KYC and OTP verification.
 3. Upload documents (Aadhaar, PAN, educational certificates).
 4. Complete 15-hour training and pass an MCQ test.
 5. Sign the digital agreement and share bank details.
 6. Get your certification code and start selling policies.
-

6. Inspection Workflow

When is Inspection Needed?

- Renewal of lapsed insurance policies.
- Transfer of vehicle ownership.
- Add-ons like CNG kits.

Types of Inspection

- **Self-Inspection:** Upload images via app; verified by backend.
 - **Agency Inspection:** Available in specific locations; slower process.
 - **Re-Inspection:** Triggered when earlier inspection is rejected.
-

7. Claims & Support

Claim Process

1. Notify the insurer and obtain a claim number.
2. Log claim details in “My Claims” via app.
3. Upload documents and coordinate via your Relationship Manager.

Support Channels

- In-app notifications
 - Email
 - Direct RM contact
-

8. Policy Management

Policy Cancellations

- Reasons: Wrong details, duplicates, or change in preference.
- Process: Contact RM, send documents, receive refund in source account.

Policy Endorsements

- Types: Corrections (name, engine, chassis, RC), member updates, NCB, sum insured.
 - Process: Request via app, upload proof, track via endorsement dashboard.
-

9. Payments and Incentives

- Commissions tracked via ARPs.
 - Redemption within 7–10 working days.
 - Volume-based incentives.
 - Payment modes: UPI, Net Banking, Credit/Debit Cards. No cash/cheque.
-

10. Renewals

- Viewable in the app.
 - Auto-generated payment links.
 - Integrated with 10+ insurers.
 - Non-integrated products can be renewed via manual request.
 - Timely alerts and reminders.
-

11. Add-Ons for Policies

Motor Insurance Add-Ons

- Zero Depreciation
- Engine Protection
- Return to Invoice
